TUFTS MEDICAL CENTER WOMEN'S CARE SOUTH

Women's Care South is a full-service satellite office on the south shore that offers world-class specialists from a Boston academic medical center right in your community. All office visits can be scheduled at Women's Care South and surgeries and deliveries will be performed in Boston.

In our new, state-of-the-art facility in Braintree, we offer OB/GYN services including prenatal care, pelvic exams, ultrasound, high-risk OB ultrasound (MFM), family planning, urogynecology, and pediatric and adolescent gynecology. In-office procedures available at this location include LEEP, colposcopy, endometrial biopsy and permanent sterilization (Essure).

With a convenient location right off of I-93, free parking, and a free shuttle to and from the MBTA's Red Line, OB/GYN office visits have never been easier.
