

## Residency/Fellowship Information for Graduate Medical Education Applicants

The National Residency Matching Program mandates that fellowship and residency programs and institutions disseminate specific information to candidates prior to the submission of the program's Rank Order List deadline. The NRMP also indicates that a signed acknowledgement should be obtained from each interviewee indicating that the information was provided. The required documents are available on our website:

The documents provided include:

1. Sample contract (House Officer Appointment Agreement)
2. Visa Sponsorship Information Sheet
3. Policy on selection and appointment to a residency or fellowship position at Tufts Medical Center
4. Information on Professional Liability Insurance
5. Benefits Summary

By signing this form you are confirming that you were notified that the above documents are available on our website.
