

Tufts Medical Center

Information for Residency Program Applicants

Residents and Fellows participate in Tufts Medical Center Benefits Program. The program lets you tailor your benefits to your individual needs and you can choose options from a range of benefit plans covering health care, dental care, life insurance and disability protection.

You are automatically enrolled in the Professional Liability Plan and with \$100,000 in HIV Occupational Exposure Insurance at no cost.

Health insurance plan coverage begins the first day of employment. Other Benefits, such as Vision coverage, Dental coverage, Life Insurance, and Disability coverage begin on the first of the month following your date of employment.
